**20a. How does the Committee accomplish its purpose?**

The purpose of a Secure Rural Schools and Community Self-Determination Act resource advisory committee is to improve collaborative relations and to provide advice and recommendations to the Forest Service consistent with Division C, Title VI of Public Law 110-343. The Act describes the duties of the committees as follows: to review projects proposed by counties and other interested parties; to recommend projects and funding; to provide early and continuous coordination with Forest Service officials; to provide frequent opportunities for citizens, organizations, tribes, land management agencies and other interested parties to participate openly and meaningfully, beginning in the early stages of project development; to monitor projects approved under the Act; to advise the designated federal official on the progress of monitoring; and to make recommendations for any appropriate changes or adjustments to projects being monitored.

**20b. How does the Committee balance its membership?**

The committee is composed of 15 members, five in each of three categories prescribed in the Act. Within each category, the Act identifies specific interests members are to represent. Committees are formed in geographic areas to ensure each national forest located within a participating county or counties has access to a resource advisory committee. The Act requires members to be residents of the state or states within which the committee has jurisdiction.

**20c. How frequent and relevant are the Committee Meetings?**

The committee generally will meet 1-4 times per year as needed to perform its duties.

**20d. Why can't the advice or information this committee provides be obtained elsewhere?**

The Resource Advisory Committee (RAC) is mandated by the Secure Rural Schools and Community Self-Determination Act, previously established under Public Law 106-393 and entered in the FACA database as Trinity County RAC, a subcommittee of 10805. The RAC was reauthorized under Public Law 110-28, PL 110-343, PL 112-141, PL 113-40, PL 114-10, and PL 115-141.

**20e. Why is it necessary to close and/or partially closed committee meetings?**

All meetings are open to the public.

## 21. Remarks

The RAC did not meet or make any recommendations in FY18 because there are only 2 current RAC members. No cost associated with the committee in FY18.

### Narrative Description

By recommending projects that maintain and improve the health of national forest ecosystems and improve cooperative relationships among the people who use and care for the National Forests, the Secure Rural Schools resource advisory committees support the Forest Service mission to sustain the health, diversity, and productivity of the Nation's forests and grasslands to meet the needs of present and future generations. The committees specifically support Forest Service strategic goals to 1) restore, sustain, and enhance the national forests; and 2) provide and sustain benefits to the American people.
